Dear Mr. Benson,

Thank you for your interest in credit assistance from the WIFIA program. The FY 2020 selection round received a high volume of satisfactory letters of interest (LOI). Therefore, we regret to inform you that we are not inviting you to apply for this round.

We appreciate your interest in the WIFIA program and will soon reach out to you to schedule a debrief to discuss your LOI in more detail and answer any questions you may have. You are encouraged to submit an updated letter of interest in future funding rounds. If you have any additional questions, please contact Arielle Gerstein, Project Selection Lead, at gerstein.arielle@epa.gov or (202) 819-6811.

Sincerely,
